

General information

Utah law requires all live births delivered by a gestational surrogate in the State of Utah to be registered with the state. There is a \$45.00 fee to register a birth delivered by a gestational surrogate.

Please provide the requested information in the form below so DHHS Vital Records can process your request. The information you give us will only be used by DHHS to register the birth, and if necessary, may also be accessed by contractors who are a part of the DHHS technical team. We will not be able to process your request without the requested information. This data is part of the record series 28617.

Required fields are marked with an asterisk (*). Fields not marked are optional.
